PROPERTY INFORMATION

FOR SALE | IDEAL OWNER-OCCUPIER OR INVESTOR OPPORTUNITY

2030 Wambaw Creek Road presents a versatile opportunity for an owner-user or investor seeking a well-positioned asset with multiple income streams. The ±21,085 SF building is offered well below replacement cost, with 2,864 SF currently occupied across two first-floor units. The listing price equates to approximately \$195 per square foot, offering exceptional value in one of Charleston's most active and desirable submarkets.

The second floor is fully built out as professional office space and is serviced by an elevator, providing flexible options for an owner's use or future lease-up. On the first floor, two suites are leased—one featuring a drive-thru—and provide immediate income. The remaining spaces include a vacant former restaurant suite with existing infrastructure, a first-generation retail/office space ready for customization, and an additional vacant office suite.
